

“On a daily basis, our clients’ initiatives change the world — we simply supply the people that make it happen.”

blueStone Staffing is a specialized IT staffing firm that has been providing Oracle consultants across the nation for over 15 years.

PAST PERFORMANCE

- Worked with a privately held multi billion dollar organization on a \$100M+ Global Oracle ERP implementation
- Provided Techno Functional resources for implementation of Oracle EBS R12 Financial system. Successfully completed implementation in three pilot countries
- Successfully completed Oracle Order to Cash planning for EBS R12 implementation within North America for a Manufacturer of Healthcare products
- Supplied Certified Project Manager (PMP) to Revamped Program Management Office organization and governance processes for a \$100+ million global Oracle ERP implementation
- Provided a SQL DBA to migrate all the data from the MS Databases to Oracle (PL/SQL) for a nation cellphone carrier
- Provided an Oracle ERP manager who re-engineered a client’s ticketing system so that leadership could have a better view of the problem areas in their new Oracle ERP system.
- Provided Peoplesoft consultants (Techno Functional) throughout the country in various modules including: HCM, Core HR, FIN, TAM/CG, eApplications, Campus Solutions, and EPM among others
- Provided Oracle/Siebel consultants to develop an Oracle Customer Hub to help a major car manufacturer track their customer engagements through the infotainment system. The consultants were tasked with setting up the Hub as well as working with Oracle Enterprise Data Quality to profile, match, and parse customer information
